### **My goal/target after 5 and 10 years**

The goal I set after graduation is to get employed at a software firm. If things go well I plan to start off on my own and grow an IT firm from the scratch.

### **Plans to contribute to the society**

If I am successful with the business of my own, I wish to help other small businesses that would have the best impact on our society to grow by providing regular mentorship, financial backing.
